Daily Lenten Retreat (Ignatian Centre Glasgow) Every day there is one passage from Scripture plus another meditation and a picture to ponder. We also give a few suggestions each day on how to pray the day's materials. You can access the materials on the internet for a computer or smartphone, and in printable form via a .pdf A4 sheet also available online. There will be a printed version at the back of the church. It would be good if after each day's prayer you jotted down in a journal a few notes on how the prayer had gone. This will help your sharing in the group if you wish to come along. It will also be interesting to reflect on how things are moving during Lent and see whether you discern any patterns in the way God is dealing with you. **Weekly Meeting: Thursday 2 p.m. here in the presbytery.** Starts Ash Wednesday Register for materials at www.lentretreat.uk

It's not just the children we encourage to go to mass during Lent...we have two weekday morning masses in the parish and for those of you who work in town there are lunch time and early evening masses in the Cathedral Clyde Street, St Aloysius Garnethill, St Mungo's Townhead.

Justice & Peace Issue: Migration

"Many destination countries have seen the spread of rhetoric decrying the risks posed to national security or the high cost of welcoming new arrivals, and thus demeaning the human dignity due to all as sons and daughters of God. Those who, for what may be political reasons, foment fear of migrants instead of building peace are sowing violence, racial discrimination and xenophobia, which are matters of great concern for all those concerned for the safety of every human being. All indicators available to the international community suggest that global migration will continue for the future. Some consider this a threat. For my part, I ask you to view it with confidence as an opportunity to build peace." Pope Francis
